

Signaal xsd v5

Vershil met vorige versie

v4

Vershil met de versie gepubliceerd op het portaal in augustus 2026

De gegevens betreffende de vestigingseenheden worden overgenomen van KBO

In het blok 'LocalUnit' worden de gegevens betreffende 'Denominations' en 'Addresses' nu overgenomen zoals ze gecommuniceerd worden door KBO.

In de vorige versie gebeurde er een conversie naar hoofdletters en werden sommige 'speciale tekens' verwijderd.

Voorbeeld:

Vorige versie
